School Report

Superintendent's Report

To the School Board of Albany:

In the year ending last June, thirteen pupils were enrolled whose percentage of attendance was 97.5. No tardiness was recorded. The superintendent visited the school fourteen times and the nurse ten. Five pupils had perfect attendance for the year: Charles Hodgdon, Richard Lane, Harry Moore, Irma Morrill and Edwin Pennell.

The largest registration this year was fifteen. An excellent entertainment was given at the end of the fall term.

The report of medical inspection last year showed two children under weight and nine with defective teeth. One defect of vision was corrected, two of tonsils, and four others were receiving treatment.

Respectfully submitted,
J. H. FULLER
